**JANUARY 2025**

# About This Course

Are you ready to stay ahead in the ever-evolving field of internal auditing? This January, join us for an exclusive 5-day workshop on the new Global Internal Audit Standards. Whether you are a seasoned Auditor or a novice, this Master Class offers a comprehensive opportunity to deepen your understanding of the internal audit profession and process. The workshop will focus on the IIA's International Professional Practices Framework (IPPF) and the new standards that will take effect in 2025 guiding the future of internal audit activities.

The workshop delivers an enhanced level of knowledge of the professional practice of internal auditing to experienced Internal Audit practitioners, those who are pursuing an understanding of the internal audit nomenclature as new practitioners and external auditors who are transitioning to internal auditing through an in-depth exploration of the domains, principles, and standards. The workshop is also ideal for staff of a new internal audit department who are preparing for building a Quality Assurance Improvement Program.
